What every person should know about oral cancer:

- Oral cancer has 3 times as many victims as cervical cancer.
- One North American dies of oral cancer every hour of every day.
- The biggest growth in oral cancer is among **non-smokers** and the main cause is HPV.
- Health experts recommend that all adults receive annual oral cancer screenings.

Dr Thomas' office has recently invested in the state-of-the-art VELscope® system. Call our office at **555-555-1234** to schedule your simple and painless oral cancer examination today!
